- 6.4.3 Price Determination – Variations in Tendered Quantities
- 6.4.3.1. Except as provided in paragraphs 6.4.3.2, 6.4.3.3, 6.4.3.4 and 6.4.3.5 of GC6.4.3, if it appears that the final quantity of labour, Plant and Material under a price per unit item shall exceed or be less than the estimated tendered quantity, the Contractor shall perform the Work or supply the Plant and Material required to complete the item and payment shall be made for the actual Work performed or Plant and Material supplied at the price per unit set out in the Contract.
 - 6.4.3.2. If the final quantity of the price per unit item exceeds the estimated tendered quantity by more than 15%, either party to the Contract may make a written request to the other party to negotiate an amended price per unit for that portion of the item which exceeds 115% of the estimated tendered quantity, and to facilitate approval of any amended price per unit, the Contractor shall, on request, provide Canada with
 - 6.4.3.2.1. detailed records of the actual cost to the Contractor of performing or supplying the tendered quantity for the price per unit item up to the time the negotiation was requested; and
 - 6.4.3.2.2. the estimated unit cost of labour, Plant and Material required for the portion of the item that is in excess of 115% of the tendered quantity.

CONSTRUCTION GENERAL CONDITIONS - November 29, 2011

- 6.4.3.3. If agreement is not reached as contemplated in paragraph 6.4.3.2 of GC6.4.3, the price per unit shall be determined in accordance with GC6.4.2.
- 6.4.3.4. If it appears that the final quantity of labour, Plant and Material under a price per unit item shall be less than 85% of the estimated tendered quantity, either party to the Contract may make a written request to the other party to negotiate a change to the price per unit for the item if
 - 6.4.3.4.1. there is a demonstrable difference between the unit cost to the Contractor of performing or supplying the estimated tendered quantity and the unit cost to the Contractor for performing or supplying the final quantity; and
 - 6.4.3.4.2. the difference in unit cost is due solely to the decrease in quantity and not to any other cause.
- 6.4.3.5. For the purposes of the negotiation referred to in paragraph 6.4.3.4 of GC6.4.3
 - 6.4.3.5.1. the onus of establishing, justifying and quantifying a proposed change lies with the party making the request for negotiation; and
 - 6.4.3.5.2. in no event shall the total price for an item that has been amended as a result of a reduction in quantity pursuant to paragraph 6.4.3.4 of GC6.4.3 exceed the amount that would have been payable to the Contractor had 85% of the tendered quantity actually been performed or supplied.

6.5 Delays and Extension of Time

- 6.5.1 Upon application of the Contractor made before the date first fixed for completion of the Work or before any other date previously fixed under this clause, Canada may extend the time for completion of the Work by fixing a new date if Canada determines that causes beyond the control of the Contractor have delayed its completion.
- 6.5.2 The Contractor's application shall be accompanied by the written consent of the bonding company whose bond forms part of the Contract Security.
- 6.5.3 Subject to paragraph 6.5.4 of GC6.5, no payment, other than a payment that is expressly stipulated in the Contract, shall be made by Canada to the Contractor for any extra expense, loss or damage incurred or sustained by the Contractor due to delay, whether or not the delay is caused by circumstances beyond the control of the Contractor.
- 6.5.4 If the Contractor incurs or sustains any extra expense or any loss or damage that is directly attributable to any neglect or delay that occurs after the date of the Contract on the part of Canada in providing any information or in doing any act that the Contract either expressly requires Canada to do or that would ordinarily be done by an owner in accordance with the practice of the trade, the Contractor shall give Canada written notice of intention to claim for that extra expense or loss or damage within ten (10) working days of the date the neglect or delay first occurred.
- 6.5.5 When the Contractor has given a notice referred to in paragraph 6.5.4 of GC6.5, the Contractor shall give Canada a written claim for the extra expense, loss or damage no later than thirty (30) days after the date that a Final Certificate of Completion is issued and not afterwards.

CONSTRUCTION GENERAL CONDITIONS - November 29, 2011

- 6.5.6 A written claim referred to in paragraph 6.5.5 of GC6.5 shall contain a sufficient description of the facts and circumstances of the occurrence that is the subject of the claim to enable Canada to determine whether or not the claim is justified and the Contractor shall supply such further and other information for that purpose as Canada may require.
- 6.5.7 If Canada determines that a claim referred to in paragraph 6.5.5 of GC6.5 is justified, Canada shall make an extra payment to the Contractor in an amount that is calculated in accordance with GC6.4, "Determination of Price".
- 6.5.8 If the Contractor fails to give a notice referred to in paragraph 6.5.4 and a claim referred to in paragraph 6.5.5 of GC6.5 within the times stipulated, an extra payment shall not be made to the Contractor in respect of the occurrence.

7 GC7 – DEFAULT, SUSPENSION OR TERMINATION OF CONTRACT

- 7.1 Taking the Work out of the Contractor's Hands
- 7.1.1 By giving notice in writing to the Contractor in accordance with GC2.3, "Notices", Canada, without any other authorization, may take all or any part of the Work out of the Contractor's hands, and may employ such means as Canada sees fit to have the Work completed if the Contractor
- 7.1.1.1. fails to remedy any delay in the commencement or default in the diligent performance of the Work to the satisfaction of Canada within six (6) days of Canada giving notice to the Contractor in writing in accordance with GC2.3, "Notices";
- 7.1.1.2. defaults in the completion of any part of the Work within the time fixed for its completion by the Contract;
- 7.1.1.3. becomes insolvent, or has committed an act of bankruptcy, and has neither made a proposal to its creditors nor filed a notice of intention to make such a proposal, pursuant to the Bankruptcy and Insolvency Act;
- 7.1.1.4. abandons the work;
- 7.1.1.5. makes an assignment of the Contract without the consent required by GC1.16, "Assignment", or
- 7.1.1.6. otherwise fails to observe or perform any of the provisions of the Contract.
- 7.1.2 If the whole or any part of the Work is taken out of the Contractor's hands, the Contractor's right to any further payment that is due or accruing due under the Contract is, subject only to paragraph 7.1.3 of GC7.1, extinguished, and the Contractor is liable to pay Canada, upon demand, an amount that is equal to the amount of all loss and damage incurred or sustained by Canada in respect of the Contractor's failure to complete the Work.
- 7.1.3 If the whole or any part of the Work that is taken out of the Contractor's hands is completed by Canada, Canada may pay the Contractor the amount, if any, of the holdback or a progress claim as determined by Canada that had accrued and was due prior to the date on which the Work was taken out of the Contractor's hands and that is not required for the purposes of having the Work performed or of compensating Canada for any other loss or damage incurred or sustained by reason of the Contractor's default.
- 7.1.4 The taking of the Work or any part thereof out of the Contractor's hands does not relieve the Contractor from any obligation under the Contract or imposed by law except the obligation to complete the performance of that part of the Work that was taken out of the Contractor's hands.

CONSTRUCTION GENERAL CONDITIONS - November 29, 2011

- 7.1.5 If the Work or any part thereof is taken out of the Contractor's hands, all Plant and Material and the interest of the Contractor, or its suppliers or subcontractors at any tier, in all real property, licences, powers and privileges acquired, used or provided by the Contractor, or its suppliers or subcontractors at any tier, under the Contract shall continue to be the property of Canada without compensation.
- 7.1.6 When Canada certifies that any Plant, Material, or any interest of the Contractor is no longer required for the purposes of the Work, or that it is not in the interests of Canada to retain that Plant, Material, or interest, it shall revert to the Contractor.
- 7.1.7 If the Contractor has become insolvent or has committed an act of bankruptcy, and has either made a proposal to its creditors or filed a notice of intention to make such a proposal, pursuant to the Bankruptcy and Insolvency Act, the Contractor shall immediately forward a copy of the proposal or the notice of intention to Canada.
- 7.2 Suspension of Work
- 7.2.1 When, in Canada's opinion, it is in the public interest to do so, Canada may require the Contractor to suspend performance of the Work either for a specified or an unspecified period, by giving a notice of suspension in writing to the Contractor in accordance with GC2.3, "Notices".
- 7.2.2 When a notice of suspension is received by the Contractor, the Contractor shall suspend all operations in respect of the Work except those that Canada determines are necessary for the care and preservation of the Work, Plant and Material.
- 7.2.3 During a period of suspension, the Contractor shall not remove any part of the Work, Plant or Material from its site without the consent of Canada.
- 7.2.4 If a period of suspension is sixty (60) days or less, the Contractor shall resume the performance of the Work on the expiration of that period, and the Contractor is entitled to be paid the extra costs necessarily incurred by the Contractor as a result of the suspension, determined in accordance with GC6.4, "Determination of Price".
- 7.2.5 If a period of suspension is more than sixty (60) days, Canada and the Contractor may agree that the performance of the Work shall be continued by the Contractor, and the Contractor shall resume performance of the Work subject to any terms and conditions agreed upon by Canada and the Contractor. If Canada and the Contractor do not agree that performance of the Work shall be continued by the Contractor, or upon the terms and conditions under which the Contractor shall continue the Work, the notice of suspension shall be deemed to be a notice of termination pursuant to GC7.3, "Termination of Contract".
- 7.3 Termination of Contract
- 7.3.1 Canada may terminate the Contract at any time by giving a notice of termination in writing to the Contractor in accordance with GC2.3, "Notices".
- 7.3.2 If the Contractor receives a notice of termination, the Contractor shall forthwith cease all operations in performance of the Contract, subject to any conditions stipulated in the notice.
- 7.3.3 Subject to paragraph 7.3.4 of GC7.3, if the Contract is terminated, Canada shall pay the Contractor an amount determined to be due to the Contractor pursuant to GC6.4, "Determination of Price", less the aggregate of all amounts that were paid to the Contractor by Canada and all amounts that are due to Canada from the Contractor pursuant to the Contract.

CONSTRUCTION GENERAL CONDITIONS - November 29, 2011

- 7.3.4 In no event shall the total amount payable by Canada to the Contractor exceed the amount, calculated in accordance with GC5, "Terms of Payment", that would have been payable to the Contractor had the Contractor completed the Work.
- 7.3.5 Payment to the Contractor, if any, shall be made as soon as practicable under the circumstances.
- 7.4 Security Deposit – Forfeiture or Return
- 7.4.1 If the Work is taken out of the Contractor's hands or the Contractor is in breach of, or in default under, the Contract, Canada may convert a security deposit to Canada's own use.
- 7.4.2 If Canada converts a security deposit, the amount realized shall be deemed to be an amount due from Canada to the Contractor under the Contract.
- 7.4.3 Any balance of the amount realized that remains after payment of all losses, damage and claims of Canada and others shall be paid by Canada to the Contractor if, in the opinion of Canada, it is not required for the purposes of the Contract.
- 8 GC8 – DISPUTE RESOLUTION
- 8.1 Interpretation
- 8.1.1 "dispute" means any disagreement regarding any issue identified by the Contractor in the notice submitted to Canada in accordance with paragraph 8.3.2 of GC8.3, "Notice of Dispute", and includes any claim by the Contractor arising from such disagreement and any counterclaim by Canada, but does not include any claim by either party for punitive or exemplary damages, injury to persons, death, or any claim based on an allegation of libel or slander.
- 8.1.2 The alternative dispute resolution procedures set out in GC8, do not apply to any claim by Canada against the Contractor except any counterclaim in a dispute as defined in paragraph 8.1.1 of GC8.1, including, but not limited to, any claim of setoff regarding any amount due to Canada under GC5.10, "Assessment and Damages for Late Completion".
- 8.2 Consultation and Co-operation
- 8.2.1 The parties agree to maintain open and honest communication throughout the performance of the Contract.
- 8.2.2 The parties agree to consult and co-operate with each other in the furtherance of the Work and the resolution of problems or differences that may arise.
- 8.3 Notice of Dispute
- 8.3.1 Any difference between the parties to the Contract of any nature arising out of or in connection with the Contract which could result in a claim by the Contractor against Canada, and which is not settled by consultation and co-operation as envisaged in GC8.2, "Consultation and Co-operation", shall be resolved in the first instance by Canada, whose written decision or direction shall be final and binding subject only to the provisions of GC8. Such written decision or direction includes, but is not limited to, any written decision or direction by Canada under any provision of the General Conditions.
- 8.3.2 The Contractor shall be deemed to have accepted the decision or direction of Canada referred to in paragraph 8.3.1 of GC8.3 and to have expressly waived and released Canada from any claim in respect of the particular matter dealt with in that decision or direction unless, within fifteen (15) working days after receipt of the decision or direction, the Contractor submits to Canada a written notice of dispute

CONSTRUCTION GENERAL CONDITIONS - November 29, 2011

requesting formal negotiation under GC8.4, "Negotiation". Such notice shall refer specifically to GC8.4, "Negotiation", and shall specify the issues in contention and the relevant provisions of the Contract.

- 8.3.3 The giving of a written notice in accordance with paragraph 8.3.2 of GC8.3 shall not relieve the Contractor from complying with the decision or direction that is the subject of the dispute. Such compliance, however, shall not be construed as an admission by the Contractor of the correctness of such decision or direction.
- 8.3.4 If a dispute is not resolved promptly, Canada shall give such instructions as, in Canada's opinion, are necessary for the proper performance of the Work and to prevent delays pending a resolution of the matter. Unless Canada terminates the Contract, orders the Contractor to suspend the Work, or takes the Work out of the hands of the Contractor, the Contractor shall continue to perform the Work in accordance with the provisions and requirements of the Contract and the instructions of Canada. Such performance shall not prejudice any claim that the Contractor may have.
- 8.3.5 Nothing in GC8 relieves the Contractor from its obligation to provide any other notice required by the Contract within the time specified in the Contract, including but not limited to, any notice required under GC6.2, "Changes in Subsurface Conditions".
- 8.4 Negotiation
- 8.4.1 Within ten (10) working days after receipt by Canada of a notice referred to in paragraph 8.3.2 of GC8.3, "Notice of Dispute", or within such other period of time as may be mutually agreed to, the parties shall commence formal negotiations in order to resolve the dispute. Negotiations shall occur initially between representatives of the Contractor and Canada who play a direct supervisory role in the performance, administration or management of the Contract.
- 8.4.2 If the representatives referred to in paragraph 8.4.1 of GC8.4 are unable to resolve some or all of the issues which are the subject of the negotiations within ten (10) working days, the parties shall refer the remaining issues which are in dispute to a second level of negotiation between a principal or principals of the Contractor and a senior level manager or senior level managers representing Canada.
- 8.4.3 If negotiations fail to resolve the dispute within thirty (30) working days from the date of delivery of the notice referred to in paragraph 8.3.2 of GC8.3, "Notice of Dispute", or within such longer period as may have been agreed to by the parties, the Contractor may, by giving written notice to Canada, in accordance with GC2.3, "Notices", within ten (10) working days from the end of such period, request that mediation be undertaken to assist the parties to reach agreement on the outstanding issues.
- 8.4.4 If the Contractor does not request mediation within the period permitted by paragraph 8.4.3 of GC8.4, the Contractor shall be deemed to have accepted the decision or direction of Canada under paragraph 8.3.1 of GC8.3, "Notice of Dispute", and to have expressly waived and released Canada from any claim in respect of the particular matter dealt with in that decision or direction.
- 8.5 Mediation
- 8.5.1 If the Contractor has requested mediation in accordance with paragraph 8.4.3 of GC8.4, "Negotiation", mediation shall be conducted in accordance with GC8.8, "Rules for Mediation of Disputes".
- 8.5.2 If a Project Mediator has not previously been appointed for the purposes of the Contract, a Project Mediator shall be appointed in accordance with GC8.8, "Rules

- 8.5.3 If the dispute has not been resolved within
- 8.5.3.1. ten (10) working days following the appointment of a Project Mediator in accordance with paragraph 8.5.2 of GC8.5, if a Project Mediator was not previously appointed;
 - 8.5.3.2. ten (10) working days following receipt by Canada of a written notice in accordance with paragraph 8.4.3 of GC8.4, "Negotiation", if a Project Mediator was previously appointed; or
 - 8.5.3.3. such other longer period as may have been agreed to by the parties;
- the Project Mediator shall terminate the mediation by giving written notice to the parties stating the effective date of termination.
- 8.6 Confidentiality
- 8.6.1 All information exchanged during alternative dispute resolution procedures, by whatever means, shall be without prejudice and shall be treated as confidential by the parties and their representatives, unless otherwise required by law. However, evidence that is independently admissible or discoverable shall not be rendered inadmissible or non-discoverable by virtue of its use during an alternative dispute resolution process.

In this case, they shall jointly enter into a contract with the appointed Project Mediator, which contract shall be in a form drafted by the Coordinator and agreed to by the parties.
 - 8.8.4.2. If the parties do not appoint a Project Mediator pursuant to paragraph 8.8.4.1 of GC8.4, the parties shall appoint a Project Mediator within seventeen (17) working days following receipt of a written notice from

- the Contractor, in accordance with GC2.3, "Notices", requesting that mediated negotiations be undertaken in accordance with these Rules to assist the parties to reach agreement on any outstanding issues that may be in dispute. Any contract entered into with the appointed Project Mediator shall meet the requirements as set out for the contract described in paragraph 8.8.4.1 of GC8.8.4.
- 8.8.4.3. When mediation is requested by the Contractor pursuant to paragraph 8.4.3 of GC8.4, "Negotiation", if the parties have previously entered into a contract with a Project Mediator, the parties shall within two (2) days send to both the Project Mediator and the Coordinator
- 8.8.4.3.1. a copy of the notice requesting negotiation under paragraph 8.3.2 of GC8.3, "Notice of Dispute";

- 8.8.4.5. Within five (5) working days following receipt of the request and materials referred to in paragraph 8.8.4.4 of GC8.8.4, the Coordinator shall provide the parties with a list of qualified private sector mediators obtained from an independent and impartial entity, together with instructions to each party to individually and confidentially select and rank their preferred and fully acceptable choices of mediator in descending order. Each mediator listed shall be impartial and independent of the parties, and shall be an experienced and skilled commercial mediator, preferably with knowledge of the subject matter of the dispute.
- 8.8.4.6. Within ten (10) working days of receipt of the list referred to in paragraph 8.8.4.5 of GC8.8.4 each party shall comply with the instructions accompanying the list(s) and shall deliver the completed listing to the Coordinator.
- 8.8.4.7. Within two (2) working days following receipt of the completed listings, the Coordinator shall select the highest common ranked mediator to act as Project Mediator for the purposes of the contract.
- 8.8.4.8. In the event of a tie, the Coordinator shall consult both parties to re-evaluate their rankings in order to assist the Coordinator in selecting a Project Mediator acceptable to both parties. - 8.8.4.9. - 8.8.10.2. If, in the opinion of the Project Mediator, either party fails to mediate in good faith or fails to comply with the terms of these Rules, or if the Project Mediator, at any time during mediation, is of the opinion that further negotiations will fail to resolve the issues outstanding, the Project Mediator may terminate the negotiations by providing the parties with a written notice of termination, stating therein the Project Mediator's reasons for the termination, and the effective date of termination.
